

THIS HERE IS A ROBBERY

Open on a shot of the typical Western landscape. A Quentin Tarantino-type font appears reading "This Here is a Robbery."

INT. SALOON - DAY

There's a drunk man passed out at a bar, men flirting with "saloon girls," your average bartender, people sitting around playing cards and smoking. A group of outlaws walk into a saloon with guns blazing. Western music is playing on an old-timey player piano. The stakes are very high. Everyone has a really thick accent.

ABE

Alright everyone, get on the ground
this here is a robbery!

People in the saloon start screaming and going crazy. A couple of the outlaws go over to the bar and start taking cash out of the cash register.

JEB

And while we're at it, we have a
little debt to settle with Mr.
O'Reilly over there.

O'REILLY

Who me? But I didn't do nothin'
wrong!

OBEDIAH

Hah! That's what you think you good
for nothin'! You done planted your
squash seeds on our done land!

O'REILLY

What? I work at the bank!

OBEDIAH whispers to CLARK.

OBEDIAH

Oh shit you think we got the wrong
fella?

CLARK

Wait what is going on here I
thought we were just in here to use
the bathroom?

ABE

Shut up Clark! This here is a robbery!

BARTENDER

Alright fellas lets just take it easy okay? We don't have to hurt anyone.

CLARK

I agree guys I really didn't sign up for this I don't even know how to use this gun.

CLARK accidentally shoots the gun and kills someone. Abe's accent starts getting more and more thick as he talks.

ABE

Damnit who invited Clark to this here robbery? He has gone done embarrassed us!

OBEDIAH

Wasn't me.

JEB

Me either.

BARTENDER

I didn't invite him.

Everyone in the saloon starts saying they didn't invite him.

Beat. A tumbleweed rolls by.

CLARK

Guys I'm sorry I just think we should really start thinking about our actions and how our words hurt people.

ABE

Clark! Enough! You know we are here to avenge dear old Frank's death from that no good dirty rotten Mr. O'Reilly! This here is a robbery!

CLARK

O'REILLY

I work at the bank!

CLARK

Frank didn't get bit by a rattlesnake, Frank died peacefully in his sleep from Tuberculosis!

ABE

OBEDIAH

CLARK

ABE

BARTENDER

If you are a band of outlaws why didn't you just rob that train carrying precious cargo that just bustled through town?

CLARK

Everyone in the saloon starts groaning.

Blackout.
