SNL-type weekend update.

SETH MEYERS

In the midst of the recent college cheating scandals made by celebrities, we wanted to ask a fellow student to give a view on the college experience and how he feels about the whole scandal. Please welcome from USC that one frat guy Kevin!

FRAT GUY enters with a six-pack in one hand and a juul in the other.

FRAT GUY KEVIN

Hey everyone! What is up Seth?!

SETH MEYERS

Hey Kevin! So tell us how do you feel about this college admissions scandal?

FRAT GUY KEVIN

Okay Seth lets just cut to the chase, my dad is the CEO of Colgate Toothpaste, so we all know how I really got here.

SETH MEYERS

Oh.

FRAT GUY KEVIN

Now that that's out of the way, I'm taking a sixth year, we all know its for the best, and Seth you gotta come to Delta Omicrons summer bash! It's gonna be a hit!

Frat guy kevin take a beer and shotguns it, then throws the can on the floor.

SETH MEYERS

Alright well thanks for that but I'm looking more to hear about your thoughts on cheating your way into college.

(MORE)

SETH MEYERS (CONT'D)

Do you feel bad about it at all?
Also, what is a summer bash?

FRAT GUY KEVIN

So glad you asked Seth, well you know, it sounds like your run of the mill end of school year college frat party right? WRONG! Summer Bash is exactly what it sounds like, its time for some summer bashing. And no, I don't feel bad about it.

SETH MEYERS

And what is "summer bashing" exactly?

FRAT GUY KEVIN

Well, D.O.s are the kings of summer bashing, first of all we all get belligerently drunk, and I'm not talking date-rape drunk because, we all know that we aren't really drunk when we do that, but like so drunk you are taking the risk of maybe never coming back from this moment, like you might die but in a good way?

SETH MEYERS

Okay, first of all-

FRAT GUY KEVIN

And then basically we all get together and literally just start smashing and bashing everything in sight with baseball bats, crow bars, hammers, TVs, you know if you can bash with it you can hash with it!

SETH MEYERS

I'm literally just going to pretend that made sense and wasn't offensive. Kevin, let's really just try to stay on the topic of the college cheating scandal.

Kevin shotguns another beer and takes a long rip of his juul.

SETH MEYERS (CONT'D)

You cannot smoke that in here.

FRAT GUY KEVIN

Dude, its cool its only vape man
chill out.

SETH MEYERS

You do know that is straight
nicotine right?

FRAT GUY KEVIN

What?

SETH MEYERS

Okay lets just move on, Kevin, do
you have any plans for the summer
like maybe getting a job or rehab?

FRAT GUY KEVIN

Close but no, Seth you gotta come
to the D.O.s Fourth of July party
in the Hamptons it is gonna be a
hit!

SETH MEYERS

Okay and when you say "hit" do you
mean like, you're hitting someone?

FRAT GUY KEVIN

No dude of course not - it's a
normal, fun Fourth of July BBQ,
with just a dose of pyro.

SETH MEYERS

Do you mean pyrotechnics? Like
fireworks?

FRAT GUY KEVIN

Close but no, what I mean is pyro
like arson.

SETH MEYERS

Oh my God what?

FRAT GUY KEVIN

Okay so hear me out, first we get
nice and coked up- you know not too
much just like the kind of amount
that like Jordan Belfort would do.
Hashtag Delta Omicron legend!

(MORE)

FRAT GUY KEVIN (CONT'D)

Anyway- just like Jordan Belfort,
then a little bit of xan to get
that coke going and then, we set
EVERYTHING in sight on fire to
create a giant bonfire that we then
can cook our Fourth of July weiners
on.

SETH MEYERS

That is oh so illegal.

FRAT GUY KEVIN

Dude it's totally safe we're on the
beach man, tons of water at our
disposal.

SETH MEYERS

I am so worried for you. Alright
thank you Frat Guy Kevin for
answering literally nothing of
importance!

FRAT GUY KEVIN

RAGE!

Kevin leaves the stage shotgunning two beers at a time while
also juuling.

Blackout.
